

Application for a transfer of lease right

The lease right can be transferred to a spouse or an unmarried partner, child or parent **living in the apartment**. Before accepting the transfer, we will check if the person moving out has paid their rent. The transfer of lease right may not be possible due to arrears of rent.

The application must be delivered one (1) calendar month before the desired date of transfer. **New lease agreements always become valid from the beginning of a calendar month**. By signing this application, the new tenant accepts the apartment in the condition it is at the time of signing the agreement.
